"Embracing Our Community with the Love of Christ"

A WORKING NEW TESTAMENT CHURCH in ACTION

TEMPLE BAPTIST CHURCH

"Speaking the truth in love..."

Ephesians 4:15

God has gifted the local assembly with what is necessary to instruct and encourage Christlikeness in all believers. The Lord has given all of His children a place of service. Every day, and in every place in which we live, each believer is to be wholeheartedly engaged in the ministry of the Lord.

All believers are to be speaking the truth in love. Our ministry is not to be limited to a day of the week or a certain location, any more than our worship is to be limited to the days we attend church, or our witnessing limited to a time of organized visitation. To restrict the ministry of the Lord in such a way is to restrict the Christian life.

Our involvement in serving the Lord ought to come from our gratitude for all the Lord has done and continues to do for us. Our ministry to the Lord comes from the heart; it is not created or sustained by external pressure. It is a willing service that brings a deep joy and great satisfaction.

As the church functions together as a body of believers, the body is strengthened and grows in the grace and knowledge of the Lord Jesus Christ. When we organize ministry opportunities and train people for more effective service, we do it to extend the Lord's work. Specific ministries allow us to care for people and to give attention to areas of the Lord's work that tend to be neglected or that need special emphasis. This provides a measure of personal accountability. Although there is but one goal in ministry, the glory of the LORD; there are many places of service.
